QUALITY POLICY

The employees of TMUS are committed to satisfying customer requirements with high quality products, responsive customer service, and advanced technical support, all delivered on time, and to maintain compliance with all statutory, regulatory, legislative and contractual requirements. TMUS will promote the use of a process approach and risk-based thinking. TMUS will provide a harmonious work environment that promotes personal growth of its employees and is committed to continually improve the effectiveness of its quality management system. TMUS will ensure the quality objectives are established for the QMS and are compatible with the context and strategic direction of the company.
