

ENVIRONMENTAL POLICY

Toray Membrane USA, Inc. is committed to conduct all our operations in an environmentally responsible and sustainable manner; to comply with applicable environmental laws and regulations, to reduce consumption of resources and generation of waste, to practice pollution prevention, to strive for continual improvement, and to lead by example. TMUS will include the consideration of environmental issues in business strategies and initiatives and where feasible study the life-cycle impact of its products. TMUS will consider those environmental risks the Company may impact and where practical attempt to mitigate those risks. TMUS will promote the education, training and motivation of its employees to carry out tasks in an environmentally responsible manner and ensuring that a continuous professional development strategy remains core to our business goals. We will communicate this policy to all TMUS personnel, customers, suppliers, contractors and to the public.
