

Toray Membrane USA, Inc.

Please join us in welcoming Elke Peirtsegaele to Toray Membrane USA, Inc. as our new Regional Sales Manager for the Western USA and Canada!

Elke is a dynamic and driven professional who brings over 10 years of experience in the membrane industry, with deep expertise in reverse osmosis (RO), nanofiltration (NF), and ultrafiltration (UF) technologies. Her background spans a wide range of applications, from water purification to process separation, making her a valuable asset to our team and our customers.

We are thrilled to have Elke on board and are confident that her passion for solving complex challenges and her commitment to customer success will help drive innovation and growth across the region.
