

## Toray Membrane USA, Inc.

We are excited to welcome Justin Bartlett to Toray Membrane USA as our new Regional Sales Manager for the Southeastern United States. Justin brings over six years of experience in the water treatment industry, both in the field and as a process engineer, giving him valuable insight into membrane technologies and system operations. With a strong technical background and a degree in Physics, Justin is well-equipped to support our customers and drive growth in the region.

Justin is located in Alabama.
